EN 16139 L2, Ansi/Bifma X 5.1, EN 1021-1

ISO 14001

5 year warranty

It's all in the construction...

The new chair construction creates a strong durable frame without the need for a cross bar, so enhancing the clean lines of the design. We recommend that 18 upright chairs is the maximum stacking number because we want you to have the best quality chair and do not wish to compromise with a lighter version.

Why choose Four[®]Cast2 Line?

- *Super stackable*
- *Optional armrests*
- *Full or seat upholstery*
- *Wooden or Poly shell*
- *Superb sitting comfort*
- *Part of a big chair family*
- *Noise reducing feet and construction*

Matt Monochrome

Designed by Strand & Hvass

Monochrome is one of the new additions to the Four®Cast2 and Four®Sure families. The distinguished design to add that little something extra to any great interior.
