

Four[®] Sure 66 & Four[®] Cast2 Wheeler

Designed by Strand & Hvass

Four[®] Sure 66 is an elegant and robust chair with castors or optional glides. The chair is extremely comfortable thanks to its unique V-shape flexible back, organic curves and tilt mechanism in the seat.

When equipped with the Inno[®] Tab writing tablet, Dashboard and Hanging Compartment, Four[®] Sure 66 becomes the perfect collaborative working platform with space for phones, tablets and files. Four[®] Sure 66 is ideal for educational facilities, conference centres or office use.

What the grown up kids say...

Both kids and grown up kids love the 66. You find it everywhere – from boardrooms to classrooms around the world. Four Sure 66 is one of our greatest examples of how we at FourDesign use design thinking; it's developed by concentrating on the needs of the end user. It is the perfect education and business chair. So whether you are the CEO or the 3rd grader, this is the optimal solution for making listening, learning and interacting easier.

Why Four[®] Sure 66?

- Seat, inner or fully upholstered
- Superb sitting comfort
- Part of a big chair family
- Noise reducing feet and construction
- Optional free float system
- Height adjustable gaslift
