Four[®] Sure Wood

Designed by Strand & Hvass

Sometimes you have to go back to the roots to find what is true and let that inspiration move you forward.

With our history and passion for craftsmanship we have created Wood – a solid and beautiful choice for Four Cast2, Four Sure and Four Real tables.

The designers wish with Wood is to add a more casual and warm character to the furniture families. With the informal expression and a softer signal, this new addition implements the beauty of nature - and that comfortable feeling of 'home' in any work place...
