Four®Us Ear

Designed by Anders Nørgaard

Four®Us is everything from a classic sofa to an innovative modular Zoning system. It creates your perfect place with the best conditions for interacting.

With Four®Us you get a room with better acoustic, aesthetic design and diversity – you get a room with opportunities.

We have created the comfortable Zoning concept Four®Us together with award winning designer Anders Nørgaard. It is visionary, modern and it provides a flexible and dynamic solution that invites you in.

Whether you need a perfect spot for your coffee break or for an informal meeting, Four®Us meets all scenarios. The Four®Us family contains several modules and countless possibilities. It fulfils the need for the perfect meeting spot, or a casual work facility; it enables you to achieve concentration and it provides the framework and opportunity to obtain peace and quiet. Four®Us' versatility enables it to easily harmonize in any surrounding.
